

**LIGHTNING OVAL CHROME AMBER CLEAR LENS AUX SIDE
TURN/CLEARANCE MARKER PETERBILT® REPLACEMENT**

NEW PRODUCT
M63122CH-YCL

Lightning

The **M63122CH-YCL** is an innovative new design featuring a chrome surface behind the polycarbonate clear lens to protect the chrome finish. This is a Peterbilt® style replacement with 9 Amber LEDs. Now you can replace your old incandescent OEM lamps with this cost effective upgrade to LEDs from Maxxima.

PETERBILT IS A REGISTERED TRADEMARK OF PACCAR

The New Maxxima M63122CH-YCL Aux Side Turn/Side Marker is a Peterbilt® replacement with 9 Amber LEDs. Now you can replace incandescent OEM lights and upgrade to LEDs with the Maxxima M63122CH-YCL for less money.
